INS AND OUTS OF HSAT, WEARABLES, AND PULSE OX COURSE

Thursday, May 15

Westgate Las Vegas Resort & Casino

Add registration for this one-day course

taking place the day prior to the annual meeting general session. This course will

explore objective patient monitoring including HSATs, pulse ox and other wearables – the science behind the technology, clinical integration strategies and how to communicate the results to patients and physicians to enhance treatment with OAT.

This course will also be recorded. Your in-person registration for this course will include access to the recorded sessions for up to one year following the meeting.

** Individuals must be registered for the 2025 AADSM Annual Meeting to register for and attend the Ins and Outs of HSAT, Wearables, and Pulse Ox Course.*

***Member categories include: Full, Dental Team Member, Academic, Federal Service, Student, Retired, and Emeritus*

REGISTRATION RATES*	
AADSM Member**	Nonmember
\$200	\$300

THINGS TO DO IN LAS VEGAS

Entertainment

For foodies, show goers, and shoppers looking to sample the best of Las Vegas, the Las Vegas strip is a must! Through the *Show Your Badge* program, AADSM attendees can enjoy easy access to discounts on dining, entertainment, attractions, tours and more, ensuring both a productive and unforgettable stay in the world's No. 1 tradeshow destination!

Scan the QR code to learn more about the *Show Your Badge* program.

SCHEDULE OF EVENTS

All sessions and events, with the exception of the Ins and Outs of HSAT, Wearables, and Pulse Ox add-on course, are included with meeting registration. Registration also includes access to the exhibit hall and session recordings.

THURSDAY, MAY 15, 2025

7:45am - 5:30pm

Ins and Outs of HSAT, Wearables, and Pulse Ox *Optional Add-On Course*

This course will explore objective patient monitoring including HSATs, Pulse Ox and other wearables — the science behind the technology, clinical integration strategies and how to communicate the results to patients and physicians to enhance treatment with OAT. The AADSM designates this course for 6 continuing education credits. [See the full schedule at aadsm.org/annualmeeting.](https://aadsm.org/annualmeeting)

FRIDAY, MAY 16, 2025

Earn up to 34 CE by attending the meeting in person and listening to recorded sessions on-demand after the meeting. Credit can only be claimed for the opening address if attended in-person. Earn an additional 6 CE by attending the pre-meeting Ins and Outs of HSAT, Wearables, and Pulse Ox Course.

Unable to attend the meeting? We will certainly miss you, but you will have the opportunity to earn up to 33 CE for the general session and 6 CE for the pre-meeting add-on course by purchasing access to the recorded sessions after the meeting. Details will be available at aadsm.org in late summer.

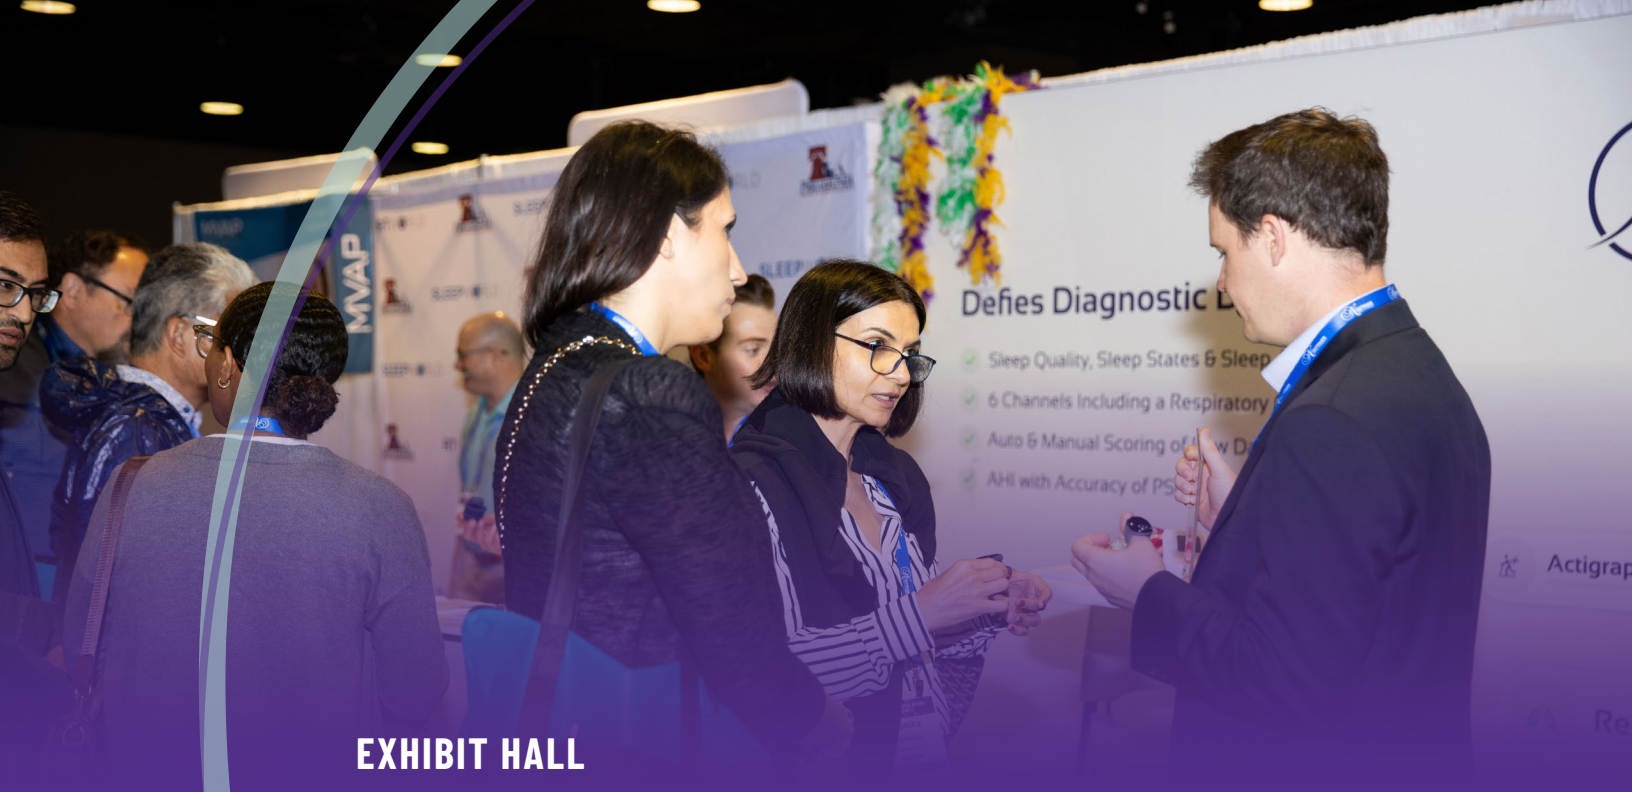

EXHIBIT HALL

Learn about the newest products and services in the field by visiting the exhibit hall!

The AADSM Annual Meeting exhibit hall showcases booth displays of oral appliance manufacturers, dental laboratories, software companies and many more. You must be at least 16 years of age to enter the exhibit hall.

WHAT ATTENDEES HAD TO SAY ABOUT THE 2024 AADSM ANNUAL MEETING

“The speakers were very informative. The AADSM provides the best information to help us help our sleep dental patients.”

“Wonderful experience. Well organized.”

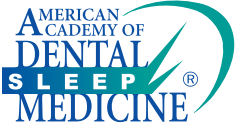

“This conference is one of the most organized, well planned and executed professional meetings I’ve been to.”

“I thought it was very well put together and offered many choices for CE.”

“Great range of sleep topics!”

“I am very fortunate that I get to attend some of the best meetings in the world. I believe that your organization is doing a great job in our profession.”

“Learned so much from these amazing speakers— thank you for a fabulous program!!”
